

Do you see God's character, command, promise, or mercy here?

HOW DOES JESUS

make this aspect of God's character visible?

make this command beautiful, not crushing?

guarantee this promise?

satisfy God's justice so that God can show mercy here?

**Do you see a character
as hero, villain, sinner,
or sufferer here?**

HOW DOES JESUS

**exceed this person's heroic
words, actions, or virtues?**

**show that his way is much
better than the villain's?**

**bear this sin and its
consequences away?**

**experience, endure, and
redeem this suffering?**
